

Behavioral Health

Counseling

The team at Project Chesapeake brings years of experience in the fields of substance abuse and mental health in order to provide communities throughout the State of Maryland with the expertise and compassion to navigate the steps needed to get lives back on track. If you or a loved one is in need of substance abuse or mental health counseling services – and if the prospect of seeking help seems intimidating – we’re here to help.

Call us at (443) 443-5790 today!
