

2023 Tuerk Conference

About Us

Hope House Treatment Center is a non-profit dual diagnosis treatment center with locations in Crownsville and Laurel, Maryland. We are dedicated to providing individuals who are experiencing substance use disorders and mental health challenges with the means to become healthy and productive citizens, equipped with the tools for a life of sobriety and recovery.

We are staffed by a caring, experienced team of professionals that include addiction trained nurses, a physician, certified counselors, associate counselors, and treatment aides. We provide medical and nursing care twenty-four hours a day, seven days a week.

Hope House is proud to be recognized by BlueCross BlueShield as the first facilities in Maryland to receive the Blue Distinction Center for Substance Use Treatment and Recovery designation. Recognition as a Blue Distinction Center for Substance Use Treatment and Recovery differentiates providers locally, as well as nationally. This highly respected designation acknowledges the expertise providers have demonstrated and their commitment to improving quality. Designations are awarded based on quality criteria that support delivery of timely, coordinated, multidisciplinary, evidence-based care, with a focus on quality improvement and patient-centered care.
